FOUNDATION

WE HOPE YOU'LL JOIN US.

The RTC & MCORE invite you to participate in its 2022 Heart of a Champion Wine & Food Experience. We envision a world free of sudden cardiac death and the funding of Olympic dreams. Until that vision is realized, we need you to invest in our work and help bring into focus the importance of what we do.

Heart of a Champion, is a strolling food and wine-tasting event, it will be one of Columbus' finest social and culinary evenings where guests will sample signature dishes and wine from more than 20 restaurants and wine distributors. The event will also feature several vintners from Napa pouring their wines and a fabulous silent auction with some rare Napa Valley wines. Over 350 people from the medical and corporate community are expected to attend this event.

Your sponsorship will go directly toward our mission to educate and prevent Sudden Cardiac Arrest in our youth and provide funding to support the dreams of our Central Ohio Olympic athletes. The MCORE Foundation provides educational material, referrals, support groups, educational seminars, and community expos throughout Central Ohio.

The Foundation strives to provide awareness in the community that kids can have sudden cardiac arrest. 1:100 youth athletes has an undetected heart issue. We offer several services, including teaching the American Heart Association's Hand only CPR/AED program to schools at no cost.

Event proceeds support the MCORE Foundation to enable it to provide free screenings to the underprivileged and the proceeds will help support central Ohio Olympic hopefuls train in wrestling.
